Printing Way :

Application :

Non Woven Bag

A high-quality Non Woven Bags are not only durable and multi-functional, but also customizable to fit your specific needs with fashion and nice design printing. We can provide you with the reasonable solution.

Our Non Woven Bags are perfect for various applications:

Shopping: Our bags are ideal for carrying groceries, clothes, food and other items. With their strong and durable material, making sure that your items will be safe and secure to be loaded Within the acceptable weight

Packaging: Our bags can be used for packaging a wide range of products, from food and beverages to household goods. Their high load-bearing capacity and tear resistance make them a reliable choice for packaging needs.

Promotion: Looking for an eco-friendly and cost-effective way to promote /advertise your brand? Our Non Woven shopping bags are the perfect solution. With your logo and message printed on the bags, they can serve as a walking advertisement for your brand.

Household Needs: Our bags can also be used for various household needs, such as storing and organizing items, carrying laundry, and more.

Packing & Shipping :

Packaging and Shipping:

The Non woven bag is packaged in bulk, then using transparent big bag to wrap to ensure that the product is well-protected during transportation with waterproof. Each bag is carefully inspected for any defects before being packaged in carton

If need, The bags are then stacked and shrink-wrapped onto pallets for easy handling and storage. The pallets are secured with straps to prevent any movement during shipping.

Shipping way :By Express (DHL/UPS/FEDEX/EMS), by Air and by Sea , to port with CIF or to your door with DDU/DDP , all is OK .

we work with reputable freight companies to ensure that your order arrives on time and in perfect condition. We also offer the different shipping ways option, depending on your preferences and urgency of delivery.

Our team takes great care in labeling each package with clear and accurate information, including product details, quantity, and shipping address. This helps to avoid any errors /mess in destination warehouse.

FAQ :
