Our reusable shopping bag is made from non-woven fabric, which is a durable and eco-friendly material. The fabric is made from long fibers, which are bonded together by heat, pressure, or chemicals. This creates a material that is strong, tear-resistant, and can withstand heavy weights.

The non-woven fabric used in our shopping bag is also water-resistant, making it perfect for carrying groceries or other items that may leak. It is also easy to clean, simply wipe it down with a damp cloth and it's good as new.

The reusable nature of our non-woven shopping bag makes it an eco-friendly alternative to single-use plastic bags. By using our bag, you are contributing to reducing the amount of plastic waste that ends up in landfills and oceans. Our bag is designed to be used over and over again, making it the perfect choice for those who are conscious about the environment.

The non-woven shopping bag comes with sturdy handles, making it easy to carry around. The handles are reinforced to withstand heavy weights and distribute the weight evenly across the bag, making it comfortable to carry even when it's full.

Our reusable shopping bag is also durable, ensuring that it lasts for a long time. This means that you don't have to constantly replace it, making it a cost-effective option in the long run.

In conclusion, our Reusable Fabric Grocery Bag is the perfect choice for those who are looking for an eco-friendly non-woven handbag. It is durable, reusable, and comes with sturdy handles, making it the perfect choice for carrying groceries, shopping, or any other everyday needs. So get your hands on our promotion bag today and contribute to saving the environment!

Application :

One of the most popular uses of the YISON non-woven shopping bag is as a gift bag. These bags are perfect for placing gifts inside and presenting them to your loved ones. They are available in a range of colors and sizes, making them a versatile option for any gift-giving occasion.

The non-woven bag is also a great option for shopping trips. The bag is durable enough to handle heavy items and has a handle for easy carrying. This makes it a great alternative to plastic bags that are harmful to the environment.

The Foldable Non-woven Shopping Sack is perfect for traveling. It can easily be folded up and packed in a suitcase, taking up very little space. This makes it a great option for those who like to shop while on vacation or for those who need an extra bag for souvenirs.

Another great use for the YISON non-woven shopping bag is as a promotional item. Companies can have their logo printed on the bag and use it as a giveaway at trade shows or events. This is a great way to promote your brand while also providing a useful item to potential customers.

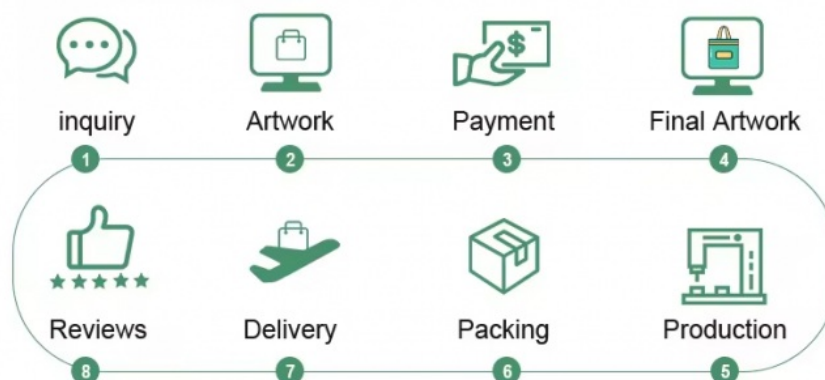

In conclusion, the YISON non-woven shopping bag is a versatile and eco-friendly option for a wide range of product application occasions and scenarios. Whether you need a gift bag, a shopping bag, a travel bag, or a promotional item, the YISON bag has got you covered. The bags are available for a minimum order quantity of 500, making them a great option for businesses and individuals alike.

Customization:

YISON offers product customization services for our Eco-Friendly Non-woven Handbag, which is a durable and practical shopping bag. The bag features double-handles and is reusable and washable. Our minimum order quantity for customized products is 500. We can include your customized artwork on the bag to make it unique to your brand. The bags are made in China and can be tailored to fit your specific needs. Contact us today to learn more about our product customization services for our Shopping Bag.
