Our lanyards with logo custom feature a safety breakaway and plastic buckle, ensuring that they are both safe and comfortable to wear. Additionally, they are available in a wide range of colors, allowing you to customize them to your exact specifications.

One of the standout features of our custom lanyards is the ability to add your own logo. This allows you to showcase your brand in a unique and eye-catching way, ensuring that you stand out from the crowd. Our dye sublimation lanyard printing process ensures that your logo will look crisp and vibrant, no matter how complex the design.

Our custom dye sublimation lanyards are also incredibly durable, ensuring that they can withstand even the toughest conditions. Whether you're using them for a trade show, conference, or any other event, you can rest assured that your lanyards will look great and hold up over time.

So if you're looking for a high-quality lanyard that can help promote your brand or organization, look no further than our Custom Lanyard with Logo. With its safety breakaway, plastic buckle, and customizable design, it's the perfect choice for any event or occasion.

Applications:

One of the most common uses of custom lanyards is for identification purposes. Organizations can use these lanyards for staff identification, visitor identification, or event identification. The lanyards can be customized with the organization's logo or name to make them easily recognizable. They can also be used in conjunction with custom lanyard card holders to hold identification cards. Custom lanyards can also be used for promotional purposes. Organizations can give them away as gifts to clients or customers during promotional events. The lanyards can be customized with the organization's logo or message to create brand awareness. They can also be used to hold promotional items such as keychains or USB drives.

Custom lanyards are also commonly used in schools and universities. They can be used to hold student ID cards or keys. The lanyards can be customized with the school's logo or name to create a sense of community and pride. Nylon lanyards are also available for those who prefer a different material.

Another common use for custom lanyards is at conferences and trade shows. Attendees can wear them to hold their name badges or event schedules. The lanyards can be customized with the event's logo or name to create a cohesive branding experience.

YISON's Custom Lanyards are made using dye sublimation technology, which ensures that the colors are vibrant and long-lasting. The lead time for these lanyards is 7-10 days, and samples can be provided within 3-5 days. The lanyards are available in a size of 1/2 inch and can be customized to meet any specific needs.

In conclusion, YISON's Custom Lanyards are versatile products that can be used for various occasions and scenarios. They are made of high-quality polyester material and can be customized to match any branding needs. They can be used for identification purposes, promotional events, schools and universities, conferences and trade shows, and more. Nylon lanyards are also available for those who prefer a different material. Overall, these lanyards are a great investment for any organization looking to create a sense of community and brand awareness.
