Our neck lanyards are made from high-quality materials that are designed to last. They come in a variety of colors and can be customized with your company's logo or message. The lanyards are comfortable to wear and come with a safety breakaway feature that ensures the wearer's safety in case the lanyard gets caught on something. The plastic buckle is also a useful accessory that helps to keep the items attached to the lanyard secure.

We offer free samples of our custom lanyards so that you can see the quality of our product before making a purchase. Our lanyards are individually packed in a polybag, ensuring that they arrive at your doorstep in pristine condition. We offer shipping options by sea, air, or express, depending on your needs and budget.

The lead time for our custom lanyards is 7-10 days. This means that you can have your promotional lanyards in your hands in just a week or two, making them a great option for last-minute events or promotions.

Our lanyard keychain is a great way to keep your keys organized and easily accessible. The lanyard can be customized with your company's logo or message, making it a great promotional item. The safety breakaway feature ensures that the wearer's safety is always a top priority, while the plastic buckle keeps the keys securely attached to the lanyard.

In summary, our custom lanyards are a great promotional tool for any business or organization. They are durable, long-lasting, and customizable, making them the perfect way to promote your brand. Our neck lanyards are individually packed in polybags, and we offer free samples and shipping options by sea, air, or express. The lead time for our lanyards is 7-10 days, making them a great option for last-minute promotions. With the safety breakaway feature and plastic buckle, our lanyard keychain is a great way to keep your keys organized and easily accessible.

Applications:

The Custom Lanyards come in various colors and designs, and can be customized to include your logo or message. This makes them an excellent choice for businesses and organizations looking to promote their brand or cause. The lanyards can be used to hold ID cards, badges, or keys, making them a convenient and functional accessory for employees, students, or attendees.

One of the most popular uses for the Custom Lanyards is at trade shows and events. The lanyards can be customized with the event logo or theme, making them a great way to create a cohesive and professional look for attendees. They can also be used to hold name badges or event schedules, making it easy for attendees to keep track of their itinerary.

Another great use for the Custom Lanyards is for promotions. The lanyards can be customized with your company logo or message, and given away as a free gift with purchase or as a reward for loyal customers. This helps to increase brand awareness and loyalty, and can also be a cost-effective way to advertise your business.

The Custom Lanyards are made in China, with a sample cost of free and a sample time of 3-5 days. They can be shipped by sea, air, or express, depending on your preference. The lanyards are also available in dye-sublimation, which allows for a full-color and high-quality print of your logo or design.

In summary, the YISON Custom Lanyards are a versatile and practical product that can be used for a variety of occasions and scenarios. They are perfect for holding ID cards, badges, or keys, and can be customized with your logo or message. Whether it is for promotional purposes, events, or trade shows, the Custom Lanyards are an excellent choice.
