The printing method we use for our Custom Lanyards is Silkscreen. This method allows for high-quality printing that is both durable and vibrant. Your design will be printed directly onto the lanyard, ensuring that it will not fade or peel over time. With our Silkscreen printing method, you can be confident that your Custom Lanyard will look great and last for years to come.

We offer a free sample for our Custom Lanyards. This allows you to see and feel the quality of our lanyards before you make a purchase. Our sample lanyards are made using the same materials and printing methods as our regular lanyards, so you can be sure that the sample you receive will be representative of the final product.

Our Custom Lanyards come with a variety of accessories to choose from. The Safety Breakaway is a popular choice, as it ensures that the lanyard will come apart if it gets caught on something, preventing injury. The Plastic Buckle is another popular accessory, as it allows the wearer to easily remove the lanyard without having to take it off over their head. With these accessories, you can customize your lanyard to meet your specific needs.

We understand that time is of the essence, which is why we offer a sample time of 3-5 days. This allows you to receive your sample quickly and make an informed decision about your purchase. We want to make sure that you are completely satisfied with your Custom Lanyard, which is why we offer a fast and efficient sample time.

Our Custom Lanyards are fully customizable, including the color. You can choose from a variety of colors to create a lanyard that perfectly matches your brand or cause. We use a dye sublimation lanyard sublimation process to ensure that your lanyard is vibrant and long-lasting. With our dye sublimation process, your lanyard will have a professional look and feel that is sure to impress.

If you are looking for a unique and effective way to promote your brand or show your support for a cause, our Custom Lanyards are the perfect choice. With our high-quality materials, Silkscreen printing method, and customizable accessories and colors, you can create a lanyard that is both functional and stylish. Whether you are using your lanyard as a keychain or to hold an ID badge, our Custom Lanyards are sure to be a hit.
