This Nonwoven Tote Bag is also reusable, making it an excellent option for those looking to reduce their carbon footprint. Instead of using plastic bags that can harm the environment, you can use this eco-friendly tote bag, which is both practical and sustainable.

One of the best things about this Long-lasting Non-woven Beach Bag is that it can be customized with your logo or brand name. This means that you can use it as a promotional item to raise awareness about your brand while also contributing to the environment. Whether you're a small business owner or a marketing professional, this customizable shopping bag is an excellent way to promote your brand while also making a positive impact on the environment.

While this bag is not waterproof, it is still a great option for all your daily needs. It is designed to withstand wear and tear, ensuring that it lasts for a long time. Whether you're carrying groceries, beach gear, or everyday essentials, this bag is sure to come in handy.

In conclusion, the Foldable Non-woven Shopping Sack is an excellent choice for anyone looking for an eco-friendly and practical shopping bag. It is durable, reusable, and can be customized to suit your needs. With a weight capacity of up to 10kg, this bag is perfect for heavy-duty shopping trips or beach excursions. So why not switch to this eco-friendly option and make a positive impact on the environment today?

## Application :

The Non-woven Tote Bag from YISON is a versatile product that can be used in multiple scenarios. It is an excellent choice for carrying groceries, books, clothes, and various other items. These bags are perfect for daily use and can be reused multiple times, making them a sustainable option. They are also customizable in color, allowing you to match them with your brand or personal preference.

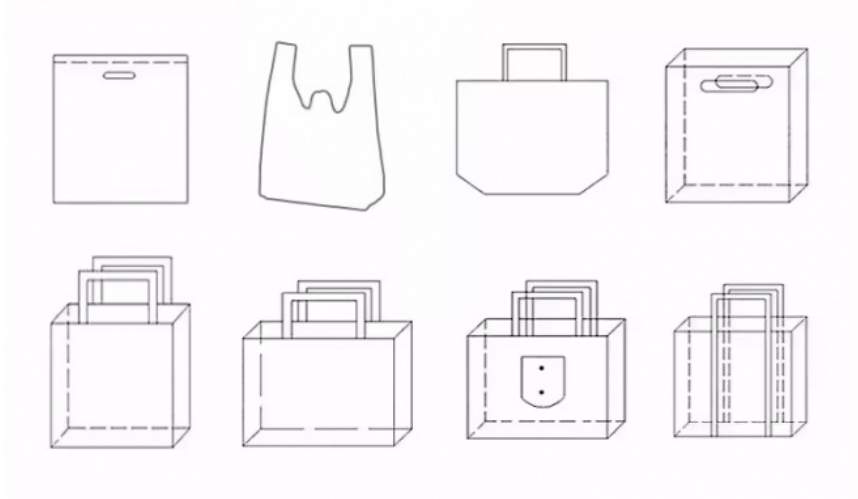

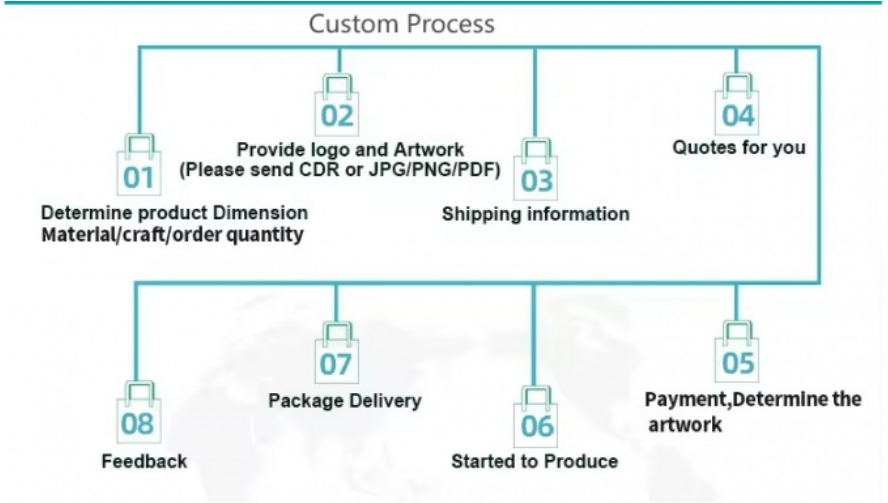

The Non-woven Promotional Tote bag is an ideal product for businesses to showcase their brand. It is perfect for events, trade shows, and exhibitions. Companies can customize the bags with their logo, message, or artwork, making them a great promotional item. The bags can be given away as a gift, or they can be sold to customers, providing a practical and eco-friendly option for carrying their purchases.

With a minimum order quantity of 500, the Non-woven Tote Bag from YISON is an affordable and practical solution for businesses and individuals alike. Its durability and sustainability make it an excellent investment, providing long-term value. Order yours today and

experience the convenience and environmental benefits of the Non-woven Tote Bag.

Customization :

Packing and shipping :

Product Packaging:

Our non-woven shopping bags are carefully packaged to ensure they arrive in excellent condition. Each bag is folded neatly and placed in

a clear plastic bag to protect it during shipping. The bags are then packed in a sturdy cardboard box with cushioning material to prevent any damage during transit.

**Shipping Information:**

We offer free shipping on all orders of non-woven shopping bags within the United States. Orders are typically processed within 1-2 business days and shipped via standard ground shipping. Delivery times vary depending on your location, but most orders arrive within 5-7 business days. Expedited shipping options are also available at an additional cost.
