One of the greatest features of this bag is its customizability. The Non-woven Shopping Bag can be customized to feature any artwork or logo of your choice. This makes it an excellent promotional item for businesses, as well as a great option for personal use. The bag can be designed to match any color scheme, making it a versatile option for any occasion.

Not only is the Non-woven Shopping Bag customizable and durable, but it is also eco-friendly. By using this bag, you are making a conscious effort to reduce your environmental impact. Unlike plastic bags, which often end up in landfills and take hundreds of years to decompose, this non woven bag can be reused again and again.

The Foldable Non-woven Shopping Sack is also conveniently foldable, making it easy to store and transport. This feature makes it an excellent option for those who are always on-the-go. The bag can easily be folded and tucked away in a purse or backpack, ensuring that you always have a reusable shopping bag on hand.

In summary, the Eco-Friendly Non-woven Handbag is a customizable, durable, and eco-friendly option for those in need of a reusable shopping bag. Its foldable design makes it easy to store and transport, while its customizability allows for personal or promotional use. Say goodbye to plastic bags and invest in a Non-woven Shopping Bag today!

## Application :

With its spacious interior and comfortable shoulder straps, this Non-woven Shoulder Bag is ideal for a range of occasions and scenarios. Use it for grocery shopping, running errands, carrying books to school or work, or taking clothes to the laundry mat. The bag's backpack style makes it easy to carry, even when your hands are full.

YISON's Nonwoven shopping bag is available in a range of models and sizes to suit your needs. Choose from a variety of colors and printing designs, including Silk Screen Printed graphics. With a GSM range of 60gsm-120gsm, this bag is both lightweight and durable. Made in China, the Nonwoven Tote Bag is an eco-friendly and sustainable choice for consumers looking to reduce their carbon footprint. With a minimum order quantity of 500 bags, this product is perfect for businesses looking to promote their brand with a high-quality, reusable shopping bag.

Whether you're running errands, going to the beach, or simply need a reliable bag for everyday use, YISON's Nonwoven Tote Bag is the perfect choice. Its durable construction, eco-friendly design, and comfortable shoulder straps make it a versatile and practical addition to your daily routine.

## Packing & Shipping :

### Product Packaging:

The non-woven shopping bag will be folded neatly and placed inside a clear polybag.

The polybag will be sealed and packed in a cardboard box.

The box will be labeled with the product name, quantity, and other necessary information.

### Shipping:

The packaged non-woven shopping bags will be shipped via a trusted courier service.

The shipping cost will be calculated based on the weight and destination of the package.

The estimated delivery time will be communicated to the customer after the order has been processed.

The customer will receive a tracking number to monitor the delivery of their order.
