Items:	Custom Nonwoven Lamination Tote Bag
Material:	Non woven with coating
Size:	Customized
Logo:	heat transfer printing, silk screen printing
Featuers	big capacity, reusable, eco-friendly, waterproof

With various sizes available, you can choose the perfect size to fit your needs. Whether you need a small bag for quick trips to the store or a larger bag for a day at the beach, we have got you covered. Plus, with the option to customize the artwork, you can make this bag truly your own.

The backpack style of this bag makes it easy and comfortable to carry, allowing you to take it with you wherever you go. And with no gusset, it is lightweight and easy to store when not in use.

At 60gsm-120gsm, this bag is made from high-quality materials that are both durable and eco-friendly. You can feel good about using this bag knowing that it is a sustainable choice that will help reduce waste.

Whether you need a gift bag for a special occasion or a reliable bag for everyday use, our customizable non-woven shopping bag is the perfect choice. Its durability, customizable artwork, and comfortable backpack style make it a versatile and practical choice for anyone.

Application :

Not only is the YISON nonwoven tote bag great for shopping, but it can also be used as a promotional item. The bag can be customized with your company logo, making it a great way to increase brand awareness and promote your business. With a minimum order quantity of 500, this product is perfect for small and large businesses alike.

In addition to shopping and promotional use, the YISON nonwoven tote bag is also a great option for a long-lasting non-woven beach bag. The bag's durable construction and weight capacity make it perfect for carrying all of your beach essentials, such as towels, sunscreen, and snacks. While the bag is not waterproof, it can still be used to carry items that may get wet, such as swimsuits and water bottles.

The YISON nonwoven lamination tote bag is made in China and comes in a variety of GSM options, ranging from 60gsm to 120gsm. This allows you to choose the thickness that best suits your needs. While the bag is not waterproof, its nonwoven material is still strong and durable, ensuring that it can be used for a variety of occasions and scenarios.
