Product Description

Products Description:

Free Sample Customized Logo Nylon Lanyards with Silkscreen Printing

Item :	Nylon lanyard
Material:	Real Nylon with thick 0.8mm
Size :	2cm * 90cm
Logo:	Screen printing on 1 side

The Custom Printed Lanyards are designed to be used as a keychain or an ID holder. They are available in a variety of colors and can be customized with your logo or message. The printing method used for these lanyards is silkscreen printing, which ensures that the logo or message is clear and vibrant. The material is high quality shiny smooth real Nylon 0.8mm strap.

The Custom Lanyards come with a metal hook attachment, which makes it easy to attach keys, badges, or ID cards. The metal hook is strong and secure, ensuring that your items won't fall off. In addition, these lanyards come with a safety breakaway feature, which ensures that the lanyard will break away in case of an emergency, preventing injury or harm.

The Custom Lanyards also come with a plastic buckle, which allows for easy adjustment of the lanyard length. This feature makes it easy to wear the lanyard around your neck comfortably. The plastic buckle is also durable and long-lasting, ensuring that your lanyard will last for a long time.

If you're interested in ordering Custom Lanyards, you can request a sample from the supplier. The sample time is 3-5 days. This allows you to see the quality of the lanyards before placing a larger order. These lanyards are a great way to promote your brand or provide identification for your employees. They are also a great way to show your support for a cause or organization.

In summary, the Custom Lanyards are a great promotional item that can be used at events, trade shows, and other promotional activities. They are made from high-quality materials and come in a variety of colors. The printing method used is silkscreen printing, which ensures that your logo or message is clear and vibrant. The lanyards come with a metal hook attachment, a safety breakaway feature, and a plastic buckle for easy adjustment. If you're interested in ordering Custom Lanyards, you can request a sample from the supplier.

Applications :

The Custom Neck Lanyards can be used in various industries such as healthcare, education, government, events, and more. They are perfect for conferences, trade shows, seminars, and exhibitions where attendees need to carry identification badges or access cards. The lanyards with logo custom are a great way to promote your brand and create brand awareness. They can be customized with your brand name, logo, and slogan. These lanyards are perfect for corporate events, product launches, and promotions.

The Custom Neck Lanyards are also great for schools and universities. Students can use them to carry their ID cards, bus passes, and keys. The lanyards can also be customized with the school logo and colors, creating a sense of pride and unity among students. They are also perfect for sports teams and clubs.

Another great use for the Custom Neck Lanyards is in the healthcare industry. Hospitals and clinics can use them for staff identification badges, and patients can use them to carry their medical alert cards. The lanyards are customizable with the hospital or clinic logo,

creating a professional and cohesive look.

The lanyard keychain is another great product that can be used in conjunction with the Custom Neck Lanyards. The keychain can be attached to the lanyard, making it easy to carry keys and other small items. The lanyard keychain is perfect for gyms, spas, and hotels where guests need to carry room keys and access cards.

YISON's Custom Neck Lanyards are customizable in size and color. They are available in a variety of Pantone colors, allowing you to choose a color that best represents your brand. The lanyards are also available in different sizes, making them suitable for adults and children.

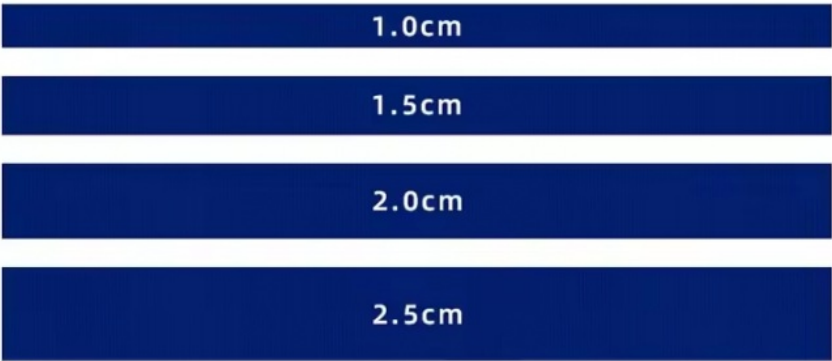

If you are unsure about the quality of the YISON's Custom Neck Lanyards, you can request a free sample. The sample cost is free, allowing you to test the product before placing a bulk order.
