Looking for a unique and customizable way to promote your brand or event? Our custom fabric keychains with embroidery logo or woven logo polyester keychain are the perfect solution. With a variety of techniques available, including die struck, die cast, laser cutting edges, overlock merrow border, we can create the perfect design to suit your needs.

Our custom keychains come in a range of shapes and sizes, and can be made from a variety of materials, including Fabric polyester, PVC, PU, Silicone and Metal. Choose from key rings or safety pins as attachments, depending on your preference.

With our fast sample time of just 5-7 days, you can be sure that your customized keychains will be ready in plenty of time for your event or promotion.

Payment is easy with our options of T/T, Western Union, or PayPal, making it simple to get your order placed quickly and efficiently.

Our PVC keychains are a popular choice, offering a durable and colorful option for your branding needs. Made from high-quality PVC material, these keychains can be made in any shape or design, making them a versatile choice for your promotional needs.

If you're looking for a more unique option, our fabric keychains might be the perfect choice for you. Made from high-quality materials, these keychains can be printed or woven with your design, creating a one-of-a-kind look that's sure to stand out.

Our custom badge pins are another great option for your promotional needs. Made from high-quality metal, these pins can be made in any shape or size, and are perfect for events, conferences, and more. Choose from a range of attachment options, including butterfly clasps, safety pins, and more.

Overall, our custom keychains, promotion gifts and crafts are a great way to promote your brand or event in a unique and customizable way. With a range of materials, shapes, and techniques available, we can create the perfect design to suit your needs.

- Promotional Events: Custom keychains are a great way to promote your brand at events such as trade shows, conferences, and exhibitions. You can have your company logo or message printed or engraved onto the keychains to create a lasting impression on

potential customers.

- Corporate Gifts: Custom keychains make excellent corporate gifts for your employees or clients. They can be personalized with the recipient's name or initials, and the shape and color can be customized to suit your brand or the occasion.
- Souvenirs: Custom keychains are a popular souvenir item that can be sold in gift shops or tourist attractions. They can be designed to represent a particular location or theme, and the PU keychain option provides a soft and comfortable feel when held in your hands.
- Fundraisers: Custom keychains can be used as a fundraising item for schools, charities, or other organizations. You can have them designed with your organization's logo or message and sell them to raise money for your cause.

At YISON, we offer a range of customization options for our Custom keychains. You can choose from a variety of shapes and colors to suit your needs, and we can also print or engrave your logo or message onto the keychains. We accept payment via T/T, Western Union, or PayPal, and we offer shipping by sea, air, or express. Our production time is 10-15 days, ensuring that you receive your order in a timely manner. Contact us today to place your order for a high-quality Custom keychain that will perfectly suit your needs.

Customization :

Each keychain is custom-shaped to your specifications and features your own unique brand name, model number, and color scheme. We offer a variety of materials to choose from, including metal, fabric, PVC, PU, and EVA. Whether you're looking for a classic metal keychain or a trendy PU or cork keychain, we have options to suit your needs.

Our sample time is 5-7 days, ensuring that you receive a high-quality product that meets your standards. Our keychains are perfect for promotions, giveaways, or as a unique addition to your product line. Contact us today to learn more about our product customization services and how we can help you create the perfect keychain for your business.
