Product Description

Products Description:

Products	Custom 3D key ring holder
Material	Cheap PVC or High quality Silicone
Size	Custom
MOQ	1000pcs
Leat time	15-20days

One of our most popular options is the USB charger keychain. Not only is this accessory practical, but it also serves as a great promotional item. With your logo or design printed on the keychain, your brand will be front and center every time your customers use it to charge their devices.

If you're looking for something more traditional, we also offer die struck and die cast key chains. These options allow for intricate designs and a high level of detail, making them perfect for commemorative items or special events.

For a more unique look, consider our woven keychain. This technique allows for a wide range of color options and intricate designs, making it a great choice for sports teams or other organizations with specific branding needs.

No matter which technique you choose, we offer a variety of attachment options to suit your needs. Whether you prefer a key ring or safety pin, we can help you create the perfect accessory for your needs.

When it comes to payment, we accept T/T, Western Union, and PayPal, making it easy to get started. And with a sample time of just 5-7 days, you can get a feel for the finished product before placing a larger order.

In short, our custom key chains, badge pins, and metal crafts offer endless possibilities for promoting your business or organization.

Whether you're looking for a practical USB charger keychain or a traditional die struck key chain, we can help you create a one-of-a-kind accessory that will help you stand out.
