One of the key features of this product is its machine washable material. You no longer have to worry about stains or spills ruining your shopping bag, simply toss it in the washing machine and it will come out looking as good as new. This makes it a great option for everyday use, as well as travel and other activities.

The medium size of this bag, about 58*38cm, is the perfect size for all your shopping needs. It's big enough to hold all your purchases, but not so big that it becomes cumbersome to carry. Of course, if you need a different size, we also offer custom sizes to fit your specific needs.

This foldable shopping bag is not only practical, but also makes for a great promotion gift. You can customize the bag with your company logo or other design, making it a great way to advertise your business. Your customers will love receiving such a useful and eco-friendly gift.

In summary, if you're looking for a practical and eco-friendly solution for all your shopping needs, the customized foldable tote bag is the perfect choice. Its dual handle tote bag design, machine washable material, medium size, and customizability make it the ultimate shopping bag. Order yours today and see for yourself!

Applications :

These bags are versatile and can be used in a variety of situations. They're great for grocery shopping, as they can hold a lot of items and won't break or tear like plastic bags. They're also ideal for carrying books, clothing, or other items when you're out and about. Whether you're heading to the beach, running errands, or going on a trip, a YISON foldable shopping bag is an essential accessory to have on hand.

The tote bag fold shopping feature of these bags makes them even more convenient. When you're finished using the bag, simply fold it up and store it away until you need it again. This saves space in your car or home and reduces clutter. The folding shopping bag design is also environmentally friendly, as it reduces the need for disposable plastic bags that can harm the environment.

YISON foldable shopping bags are available in a range of custom colors to suit your style and preferences. They're also water-resistant, so you don't have to worry about your items getting wet if you get caught in the rain. The dual-handle tote bag design makes it easy to carry the bag comfortably, even when it's full of heavy items.

Overall, YISON foldable shopping bags are a practical and eco-friendly accessory that everyone should have. They're perfect for a wide range of occasions and scenarios, from grocery shopping to traveling. With their durable construction, easy-to-fold design, and customizability, these bags are sure to become a staple in your daily routine.
