FAQ :

1. Can we get some samples? Any charges?

Yes, the customized samples will be charged according to your requirements, we also offer free available samples for you to check the quality, but we do not cover the shipping cost.

2. Can I print & customize the bags with my own artwork?

Yes, we are specialized in producing all sorts of customization printing bags, OEM, ODM is welcome,

3. How do I make sure how the product looks like once produced?

Usually, we do work on digital proof /artwork with 2D & 3D views for approval so that makes everything clear what exactly the bags will look like once it is produced and assembled.

And for large orders, we send a physical bag sample to make sure everything should be printed as per requirements.

4. What file type do you require for printing?

It's very easy & simple, just email us your artwork files in PDF, AI, EPS, PSD , We have our expert design team in-house who can work on your designs efficiently to layout the artwork and can work on your design absolutely Free (Once the order is secured). So we will work on the final layouts and send them to you for approval.
