One of the most significant attributes of the Cooler Bag is its waterproof feature. The bag is designed with a waterproof lining that prevents water from seeping in and damaging the contents. This feature is particularly useful for those who plan to take the bag cooler to the beach or on a boat ride.

Another added feature is the printing design that makes this cooler bag stand out from the rest. The printing is of high-quality and adds a touch of style to the overall design of the bag.

The Cooler Bag is also collapsible, which makes it easy to store when not in use. The collapsible cooler bag is ideal for those who have limited storage space or want to travel light.

This lunch cooler bag is versatile and can be used for a variety of outdoor activities. Whether you are going on a hike, heading to the beach, or planning a picnic in the park, the Cooler Bag is an excellent choice. The bag is designed to hold up to 24 cans, making it ideal for group outings.

Overall, the Cooler Bag is an excellent investment for those who love the outdoors. Its thermal insulation, waterproof lining, and collapsible design make it a must-have for any outdoor enthusiast. Whether you need to keep your drinks cold or your food warm, this bag cooler has got you covered.

Application :

- **REUSABLE:** VENO maximizes the use of post-consumer material to make high-quality, sustainable grocery bags which saves plastic from ending up in oceans, lakes, and landfills. Keep our bag in your kitchen or trunk for convenience to help protect our environment and create a cleaner, more livable future.
- **INSULATED:** Triple-layer thermal insulation fabric design keeps your food warm or cool and always fresh. Great for frozen groceries, produce, and even hot food items. Can be used in place of your traditional cooler.
- **LARGE CAPACITY:** 15.8" W x 13" H x 8.7" D. Spacious enough to fit a large amount of grocery items while shopping at the grocery store or farmers market, carrying multiple orders when delivering food, or taking plenty of food for picnics, camping, catering, beach days, tailgating, potlucks, or parties. Easily accommodates 7.8 gallons or 40 cans.

- **HEAVY DUTY & DURABLE:** Made from a high-quality, hardwearing, non-woven fabric material that is built to last. Sturdy and strong construction easily supports 45 lbs. Triple-layered, cross-stitched, reinforced handles designed to wrap around the bag for heavy loading without breaking or tearing. A reinforced, dual tab, smooth sliding, zippered lid keeps items from falling out. Easy to clean with wipes.
- **FLEXIBLE:** Flexible fabric sides accommodate bulky and odd shaped items. Collapsible and folds flat for future use and easy storage in your kitchen, under your car seat, or in your trunk.
