Product Description

Products Description :

Foldable portable Reusable lunch Shopping Cooler Bag Insulated Grocery Bags for Food Storage

INSULATED	Triple-layer thermal insulation fabric design keeps your food warm or cool and always fresh. Great for frozen groceries, produce, and even hot food items. Can be used in place of your traditional cooler.
LARGE CAPACITY	15.8" W x 13" H x 8.7" D. Spacious enough to fit a large amount of grocery items while shopping at the grocery store or farmers market, carrying multiple orders when delivering food, or taking plenty of food for picnics, camping. Easily accommodates 7.8 gallons or 40 cans.
HEAVY DUTY & DURABLE	Made from a high-quality, hardwearing, non-woven fabric material that is built to last. Sturdy and strong construction easily supports 45 lbs. Triple-layered, cross-stitched, reinforced handles designed to wrap around the bag for heavy loading without breaking or tearing. A reinforced, dual tab, smooth sliding, zippered lid keeps items from falling out. Easy to clean with wipes.

The lining of this cooler bag is insulated, which means that it will keep your items cold for hours. The insulation works by trapping air between layers of material, which helps to keep the temperature inside the bag consistent. This means that your food and drinks will stay cold even on a hot summer day.

The Custom Cooler Bag features a zipper closure, which makes it easy to open and close. The zipper is sturdy and durable, so you don't have to worry about it breaking or getting stuck. This closure type ensures that your items stay secure inside the bag, so you don't have to worry about anything falling out while you are on the go.

This insulated cooler bag has a multi-function purpose, which means that it can be used for a variety of different things. It is perfect for keeping your drinks and snacks cool while on a picnic, but it can also be used to keep your lunch cold while at work. Additionally, it can be used to transport items that need to be kept at a consistent temperature, such as medication or cosmetics.

If you are interested in purchasing the Custom Cooler Bag, you can request a sample time of 5-7 days. This will allow you to test out the product and see if it meets your needs before making a larger purchase.

Overall, the Custom Cooler Bag is a high-quality insulated bag cooler that is perfect for anyone who needs to keep their food and drinks cool while on the go. Its sturdy construction, insulated lining, and zipper closure make it a reliable choice for all of your cooling needs. Whether you are going on a picnic, to the beach, or camping, the Custom Cooler Bag is the perfect addition to your gear.

One of the unique features of this bag is that it comes with a cake aluminum foil insulated non woven cooler bag that will keep your cakes cool and fresh. This is perfect for those who love baking and want to transport their creations to parties or events without having to worry about them melting or spoiling. The cake aluminum foil insulated non woven cooler bag is just one of the many features that make the Custom Cooler Bag a versatile and practical choice for anyone who needs to keep their items cool while on the go.
