Application for Iron on patches and sew on patch

The leather patch is one of the most popular patch designs that can be used for a variety of purposes. It can be sewn onto jackets, bags, and hats to give a rugged and stylish look. The embroidered sew on patch is another popular option that can be used for clothing labeling. These patches can be customized to depict logos, brand names, and even slogans. They are perfect for use on shirts, jackets, and hats.

If you are looking for a clothes patch that is eye-catching and unique, then the YISON embroidery patches are the perfect choice. They come in a range of sizes and colors that can be customized to suit your needs. These patches are perfect for use on jackets, shirts, and even backpacks.

The cap logo is another popular option that can be used to promote your brand or logo. These patches are perfect for use on hats and caps and can be customized to suit your design needs. They are perfect for use in promotional campaigns and events.

The garment logo is another popular option that can be used to label clothing. These patches can be easily sewn onto clothing and can be customized to depict your logo or brand name. They are perfect for use on shirts, jackets, and even bags.

YISON embroidery patches come in a range of designs including embroidery, woven, and printing. These designs are perfect for use on a range of clothing and accessories. They are durable, long-lasting, and can withstand multiple washes.

Overall, if you are looking for a unique way to label your clothing or accessories, then YISON embroidery patches are the perfect choice. They are customizable, durable, and perfect for use on a range of clothing and accessories.

Packing and Shipping :

Product Packaging:

Each set of Garment Patch Label Tags comes in a clear plastic bag with a cardboard header. The tags are neatly arranged and secured with a plastic tie to prevent damage during shipping.

Shipping:

We ship the Garment Patch Label Tags via standard ground shipping within the United States. Orders are typically processed within 1-2 business days and shipping can take 3-7 business days depending on the destination. We also offer expedited shipping options for an additional fee.
