Each package includes 100 pieces of customized label tags, so you'll have plenty to use for all of your labeling needs. The size of these tags can be customized to fit your specific requirements, ensuring a perfect fit every time.

Our Garment Patch Label Tags come in three different design options - embroidery, woven, and printing. The embroidery option provides a classic, textured look that is perfect for a variety of clothing items. The woven option is a great choice for intricate designs that require a high level of detail. And the printing option is ideal for designs that feature bright, bold colors.

These label tags are incredibly versatile and can be used in a variety of ways. They are great for labeling clothing items, such as shirts, pants, and jackets. They can also be used to create custom iron on embroidery patches or embroidered sew on patches. Additionally, they are perfect for adding a logo or brand to hats, bags, and other accessories.

Overall, our Garment Patch Label Tags are an excellent choice for anyone who needs a high-quality, customizable label tag solution. With their durable polyester material and customizable size, these tags are sure to meet all of your labeling needs. And with the three different design options available, you can choose the perfect look for your specific project.

## Application for Ebroidery Logo Patches

easy to apply	custom iron on embroidery
label tags	garment patch
embroidery iron on patches	create a patch
variety of clothing	clothing items
perfect look	

These patches are ideal for use in the garment industry. They can be used to add a custom touch to clothing, hats, bags, and more. The iron-on feature makes them easy to apply, while the sew-on option provides an added layer of

security. The hook and loop option allows for easy removal and reapplication, while the self-sticking option makes them easy to apply without any additional tools or materials.

With custom color options available, you can create a patch that perfectly matches your brand or personal style. These embroidery iron on patches are perfect for businesses looking to add a custom touch to their uniforms, or for individuals looking to add a unique touch to their clothing.

Overall, YISON embroidery patches are a versatile and durable option for adding custom designs to your clothing.

Whether you are looking to create patches custom embroidery clothing for your business or just want to add a personal touch to your wardrobe, these patches are a great choice.
