## Application for Logo Patches in Daily Life

For fashion enthusiasts, these garment patch label tags are perfect for adding a personal touch to jackets, jeans, and backpacks. The embroidery design gives a classic and timeless feel, while the woven and printed designs offer a more modern and trendy look. These patches can be customized to any color, making them ideal for matching any outfit. For businesses, these patches are an excellent way to promote their brand. The YISON embroidery patches can be used as a logo or brand name label on clothing, bags, and hats. The iron-on, sew-on, hook and loop, or self-sticking feature makes it easy to attach them to any garment or accessory. These patches are perfect for businesses that want to give their products a professional look.

These garment patch label tags are also ideal for DIY projects. The patches can be used to create unique and personalized gifts for friends and family. The iron-on feature makes it easy to attach the patches to leather jackets, bags, and even shoes.

For those in the fashion industry, these patches can be used to create unique designs for clothing and accessories. The patches can be used to create a leather patch for a denim jacket, a rubber patch for a backpack, or a cap patch for a baseball cap. The YISON embroidery patches can be used to add a touch of personality to any design.

Each package of YISON embroidery patches comes with 100 pieces, making it easy to add a personal touch to any garment or accessory. The patches are made of high-quality polyester material, ensuring they are durable and long-lasting.
