## Applications :

Our puzzle toys are made from high-quality wood and are manufactured in China, where we ensure that all of our products meet strict quality standards. With a lead time of 10-30 days after the sample confirmed, we can get your order to you quickly and efficiently.

YISON's baby wooden toys are suitable for a variety of occasions and scenarios. Whether you're looking for a teether toy to soothe your baby's gums or a puzzle toy to help with their cognitive development, we have a product that will meet your needs.

Our wooden toys are perfect for playtime at home, but they are also great for use in daycare centers, preschools, and other educational settings. The Montessori style of our products makes them ideal for use in a variety of educational environments.

At YISON, we understand that every family has different needs and preferences, which is why we offer negotiable payment terms on all of our products. We also hold standard certifications, including EN71, AZO, CE, ASTM, and CPC, giving you peace of mind that you are purchasing a safe and high-quality product.

## Packing and Shipping :

This Baby Toy product comes in a colorful and sturdy cardboard box that measures 10 inches in length, 8 inches in width, and 6 inches in height. The box is designed to keep the toys organized and protected during shipping and storage. The packaging also includes a product manual that provides information about the different toys and their features.

### Shipping:

Our Baby Toys product is shipped through our trusted delivery partners and will be delivered to your doorstep within 3-5 business days after placing your order. We offer free standard shipping for all orders within the United States. For international orders, shipping rates may vary depending on the destination country. Once your order is shipped, you will receive a tracking number via email that you can use to track your package.
