Application :

- 24 Hours Cold & 12 Hours Hot: Sfee insulated water bottle design of double-wall vacuum insulation technology can keep heat for up to 12 hours and keep cold for up to 24 hours. The steel kids water bottle can keep warm for up to 12 hours. You can bring hot water, ice water, drinks or freshly brewed coffee with you. A large enough mouth (1.3 inches) can fit ice cubes, which is a big advantage. The humanized design allows you to enjoy coolness in the hot summer and warmth in the cold winter.
- BPA-FREE & Leak Proof: The inner and outer walls of the steel water bottles are made of food-grade 18/8 stainless steel to ensure durability and a light surface. Kids water bottle stainless steel does not contain BPA, which is shock-proof, shatter-proof, rust-proof, leak-proof and scratch-proof. Food-grade silica gel is used in the lid to ensure that the lid does not leak. No matter where you go, you can put the water bottle in your bag at will.
- Easy to Carry & Easy to Clean: The sports water bottle comes with a specially designed sponge bristles with an 11-inch durable handle that can easily clean the entire inner surface of the bottle and easily reach any place, including hard-to-reach corners and bottoms. If your cup is dirty, it can be cleaned quickly. You can also use this 500 ml/ 17oz insulated water bottle at home. It is very convenient to take to school, work, in your car, sports, camping, travel, at the beach or on vacation!
