Product Description

Products Description :

This bag comes in various sizes, making it perfect for all your needs, from small gift bags to large grocery shoppers. The size options ensure that you can choose the perfect bag for your needs. Additionally, the customizable artwork allows you to create a unique design that suits your brand or personal style.

The printing process for this bag is either silkscreen or heat transfer, ensuring that the design is long-lasting and won't fade or peel. The silkscreen process allows for multiple colors to be printed, while the heat transfer process allows for full-color printing. This ensures that your design will look vibrant and eye-catching, making it an effective marketing tool. This Polypropylene Shopper Bag is reusable, making it an eco-friendly alternative to single-use plastic bags. The durability of the bag ensures that it can be used multiple times, reducing the amount of waste produced. The non-woven material is also recyclable, making it a sustainable choice for your shopping needs.

In summary, our Eco-Friendly Non-woven Handbag is a perfect choice for anyone looking for a durable, customizable, and eco-friendly shopping bag option. It is available in various sizes, has customizable artwork, and can be printed using either silkscreen or heat transfer. It is also reusable and made from sustainable non-woven polypropylene material, making it an eco-friendly alternative to single-use plastic bags. Order yours today and make a positive impact on the environment while promoting your brand or personal style.

Application :

- **Colorful Choice:** Our non-woven party favor bags are carefully selected in 5 colors: red, yellow, blue, orange, and lime green. Each color has two pieces. Against this colorful backdrop, pick your favorite color, enjoy your creativity, and make DIY creations with ease. The reusable party favor bags you create yourself are a great choice both as a collectible and as a gift for friends
- **Premium Small Gift Bags:** Colorful reusable bags can be recycled, reducing their environmental impact compared to plastic bags. They are not only reusable many times but also stronger and more durable than regular plastic bags,

offering good weight-bearing capacity and less likelihood of breaking

- **Special Sizes:** The size of our solid color reusable tote bags is 10.3 x 13 inches, which is between small and medium-sized bags. They have a decent storage capacity and can be used both as gift bags and shopping bags, serving two purposes with one item. Our reusable bags are bulk-packed, featuring a comfortable feel and bright colors, adding fun to your life
- **Scenarios of Use:** Non-woven party bags are suitable for school activities, travel, and outdoor events. They are also ideal for parties and holiday celebrations such as Easter and Christmas. Overall, non-woven bags with handles are versatile for various group and individual activities, meeting diverse needs on different occasions
- **Customizable for Any Occasion:** These non-woven bags are not just for parties, they're perfect for personalizing! Add your own designs, or names to make them uniquely yours. Whether for team events, corporate giveaways, or craft activities, these bags offer endless possibilities for creativity and personalization

Solid color non-woven bags allow for full creativity and DIY creations on the surface of the bag, making it a special choice as a collection or gift.

Packing and Shipping :

Product Packaging:

Each non woven shopping bag will be packed in a clear polybag.

If requested, we can also pack the bags in a custom printed cardboard box for an additional fee.

Shipping:

Shipping will be done via standard ground shipping unless expedited shipping is requested.

Shipping costs will be calculated based on the weight and destination of the order.

We are able to ship internationally, however, additional fees and customs charges may apply.
