This nonwoven shopping bag is designed without a gusset, providing a spacious interior for your groceries. The sturdy construction of the bag can support a weight capacity of up to 15kg, making it ideal for carrying heavier items without the worry of the bag breaking. Additionally, our non-woven material is available in a range of weights, from 80g to 160g, and a GSM range of 60gsm to 120gsm, ensuring that you can choose the perfect weight for your needs.

Our non-woven shopping bag is the perfect choice for your everyday shopping needs. It is reusable and can be used multiple times, making it an eco-friendly alternative to single-use plastic bags. The durable material ensures that the bag can withstand daily wear and tear, making it a great investment for any shopper.

Our non-woven shopping bag is also great for businesses looking for an eco-friendly way to package their products. It can be easily customized with your branding, making it a great marketing tool for your business. In addition to being a great marketing tool, it also helps promote your brand's commitment to sustainability.

Overall, our non-woven shopping bag is a great investment for anyone looking for an eco-friendly and durable shopping bag. With various sizes available, a weight capacity of up to 15kg, and a range of weights and GSM, it is the perfect choice for all your shopping needs.
